

Moving Checklist – It's time to get organised!

USE THE DIRECT CONNECT MOVING CHECKLIST TO MAKE YOUR MOVE EASY.

4 WEEKS BEFORE THE MOVE

- ☐ Notify your Real Estate Agent/Landlord of vacation of premises date.
- ☐ Arrange to settle all outstanding bills.
- ☐ Start collecting packing material and boxes you may need.
- ☐ Take any unwanted items to a charity shop or hold a garage sale.

3 WEEKS BEFORE THE MOVE

- ☐ Begin packing items you won't be using before the move, i.e. those stored at the back of your cupboard or in your shed/garage.
- ☐ Create inventory lists while you are packing. Attach one to each box as you pack it, and add what room they will be going into, this will help if you need to find something after it has been stored.
- ☐ If you are moving interstate make your travel bookings/arrangements i.e. plan your route, travel stops and accommodation.
- ☐ If you have pet/s notify your new council for re-registering.

FINAL WEEK BEFORE THE MOVE

- ☐ Arrange for a property inspection.
- ☐ Empty the fridge and pantry, and don't forget to clean the interior and exterior of the oven.
- ☐ Redirect your mail for 1, 3, 6 or 12 months, or up to a chosen date. Remember to allow 3 full business days for Australia Post to process your application.
- ☐ Plan ahead for the first night in your new home. Pack overnight/weekend bags so you don't have to rummage through boxes for the items you need immediately. If you have children and/or pets pack a box with some of their possessions that they can have when they get to the new home.
- ☐ Finish all your packing. Turn off the fridge, freezer and washing machine to defrost and dry out the day before moving day.

MOVING DAY

- ☐ Do a final check of the property before leaving: check all rooms, cupboards and wardrobes.
- ☐ Hand your spare keys to the Real Estate Agent or new owner/tenant.
- ☐ Keep children and pets in a quiet area of the house.
